

# Lipo Coffee

Lipo Coffee tastes just like regular coffee, except that it supports fat-burning and brain function while providing a surge of extra caffeine so that you feel energetic throughout the day. If you follow an intermittent fasting routine or live a keto lifestyle, Lipo Coffee is perfect for you. You don't have to limit your intake of carbs completely and can have more than one cheat day during the week.\*

## WHY IT'S UNIQUE?

Lipo coffee is made up of three key ingredients- caffeine, EGCG, and nootropics. Five plant-based sources of caffeine are included in this coffee blend, including French roast instant coffee, green tea, green coffee bean, Guarana, and Yerba Mate. These come together to support your metabolism and help you maintain a healthy weight. Another active ingredient used in the Lipo Coffee is EGCG- a unique polyphenol in green tea that works as an antioxidant and is beneficial for the body. Moreover, nootropics are used in Lipo Coffee, including natural caffeine, L-theanine, Alpha-GPC, Rhodiola Rosea Root, Brahmi Whole Herb, and Griffonia Simplicifolia Seed. These support concentration and alertness.\*
